

June 2008

Dear Colleague:

The Illinois Association for College Admissions Counseling Mentorship Committee is pleased to offer the 2008-2009 edition of the **IACAC High School and Community College Visit Guide**. This tool is an invaluable resource when scheduling recruitment visits.

In addition to the new formatting and layout introduced in the 2006-07 edition, this 2008-09 edition will include a great deal of updated contact information for the schools listed in the guide. We're hoping this makes the directory even easier to use and more informative than ever.

Attached is an order form for the directory. The directory contains listings of all Illinois high schools and community colleges, as well as the contact personnel and visitation policies for each school. The high school section, in particular, identifies other nearby schools that you may care to visit on the same day. The high school section of the directory is divided into subsections entitled: City of Chicago, Greater Metropolitan Area, Northwestern Illinois, Central Illinois, and Southern Illinois.

The cost of the directory is \$50.00 per copy, including shipping and handling. When ordering, please use the enclosed order form and submit payment along with the order. Purchase orders cannot be accepted. Shipments will not be made until payment has been received.

Directories will be shipped to you from **AcademicConnections.net**. The first shipping date will be August 1, 2008.

On behalf of IACAC, thank you for your order.

Sincerely,

Annie Kremer and Kathy McSherry  
Co-Chairs, IACAC Mentorship Committee
