## Illinois Association for College Admission Counseling

### 2008 ANNUAL CONFERENCE EXHIBITORS

EXHIBIT DAY – THURSDAY, MAY 1 – 8:00 A.M. TO 4:00 P.M.

#### **ACT, Inc.**

ACT, a not-for-profit organization, provides assessments, research, and data to schools, colleges, professional associations, and government agencies. All programs/services have one guiding purpose: helping people achieve education and workplace success.

#### **ALLOY EDUCATION**

We serve higher education while providing students with options for their future. We integrate the resources of the nation's leading teen marketing company with 21 years of proven experience in college admissions.

#### **Campus Door**

Campus Door provides private education loans to the post secondary education market throughout the Midwest.

#### **Cappex.com**

*Cappex.com* is a website that lets students know which colleges are interested in them *before* they apply. It is free to students, guidance counselors, and most colleges and universities.

#### **College Board**

The College Board's mission is to connect students to college success and opportunity. We are a not-for-profit membership organization committed to excellence and equity in education.

#### **College Living Experience**

College Living Experience provides intensive academic, social and independent living skills support to students of varying abilities so they can attend college and transition to self-sufficient, independent adulthood.

#### **CollegeZapps**

CollegeZapps takes all applications from the schools a student would be interested in applying to, then using one questionnaire, auto fills the applications.

#### **ConnectEdu, Inc.**

ConnectEdu is the nation's leading technology firm dedicated to providing students, educators, and employers with comprehensive solutions to successfully navigate education and employment transitions.

#### **HOBSONS**

Hobsons U.S. partners with colleges and universities to empower their enrollment efforts through domestic, international, and graduate student products, as well as enrollment management technology and student retention solutions.

#### **Illinois Course Applicability System**

Illinois Course Applicability System is a free online service, open to anyone interested in transferring credit. Learn how courses transfer among participating institutions and apply to different majors.

#### **Illinois Court Reporters Association**

The Illinois Court Reporters Association - the state association of court reporters, both freelance and officials; closed captioners, CART providers, in addition to teachers, students and other affiliate members.

#### **Illinois Student Assistance Commission**

ISAC is a not-for-profit government agency whose mission is to inform families on how to overcome financial barriers to higher education; and provide comprehensive total solutions to meet those needs.

#### **International University of Nursing/ University of Medicine & Health Sciences – St. Kitts**

#### **iTransfer**

iTransfer.org is the official state website that provides support to students transferring in the state of Illinois. It offers assistance with critical decision making related to transfer processes including information on course and program articulation.

#### **Kendall College**

Kendall College is a private, co-educational college located on a 166,000-square foot campus in Chicago, offering programs in hospitality management, business, culinary arts and early childhood education.

#### **Leapfrog Technologies**

Learn to leverage instant messenger technology for online communications. Visit our booth for live demonstrations of InstantRapport. Come learn about PageLeaf, an enhanced version of PageWizard, our powerful and integrated web-site builder.

#### **National Student Clearing House**

Student Tracker enables colleges and high schools to track their former students with real enrollment data provided by over 3,200 participating institutions comprising 91% of the US post-secondary enrollment.

#### **Naviance**

Naviance Inc., a Hobsons Company, is the leading provider of planning and advising systems for schools. Over 20,000 educators in over 2,000 schools use WorkspaceK12 tools to support their comprehensive counseling programs.

### **Next Step Publishing, Inc.**

Next Step Publishing™ helps students plan for life after high school.

### **Method Test Prep**

Method Test Prep provides efficient, effective and economical web-based SAT and ACT prep courses for schools and school districts.

### **NRCCUA**

NRCCUA conducts the largest in-school college and career planning survey among high school students. Services include student search lists, recruitment publications and online communications resources.

### **Revolution Prep**

Revolution Prep is an educational services company that specializes in ACT and SAT preparation, high-stakes testing preparation, and algebra readiness programs.

### **Peterson's, a Nelnet company**

Peterson's helps students prepare for college. With trusted printed resources, and now online solutions available at no costs to high

schools, Peterson's empower modern families to take charge of preparing for life after high school.

### **PICU**

PICU is an organization comprised of 43 Private Illinois Colleges and Universities dedicated to educating transfer students and college transfer center coordinators about the numerous benefits available at their institutions.

### **The Princeton Review**

The Princeton Review helps students achieve the best results at every stage in their educational careers. We help students improve their performance in the classroom and on standardized testing.

### **Transfer Times**

Transfer Times is a publication distributed twice each year on community college campuses, describing transfer options. Our Illinois Edition is NEW for 2008-09; we've been serving Iowa for 11 years.

### **Tungsten Creative Group**

Tungsten Creative Group is a creative marketing and advertising agency in Erie, Pa. While we serve about every industry imaginable, our specialties include higher education, health care and nonprofits.

### **University of Wisconsin System HELP**

The University of Wisconsin System is one of the largest and finest systems of higher education in the U.S. Come learn more about the opportunities that await your students!

### **UPS**

UPS, the world's largest shipping company hires students to fill entry level, part time positions. UPS provides competitive pay, benefits, and \$15,000.00 in tuition reimbursement over a five year period.

### **Zinch**

Zinch.com is the solution to the college admissions process. It is an online tool for both college admissions officers & high school students to find what's right for them!
