October 3, 2009 • 11:00 a.m. – 3:00 p.m.

Navy Pier

Learn all you need to know about your after high school options *in 90 minutes!*

1

**Prior to the fair, review the colleges** on the back of this sheet, and talk to your parents and counselor about which ones you want to visit.

2

**At the fair, pick up the on-site locator** for the latest list of schools and a map showing their booth locations.

3

**Meet one-on-one with college representatives** and ask them everything and anything about their colleges.

4

**Need more direction?** Visit the **Counseling Center** to talk to a counselor about choosing a major and other important advice. Also stop by the **Resource Center** for information on financial aid, scholarships and more.

5

**Watch a preview** of the **National College Fair** by checking out our video at [www.nacac.com/video/NCF\\_Video.wmv](http://www.nacac.com/video/NCF_Video.wmv)

6

**Attend a Workshop** to learn how to make preparing for college easier. (Possible topics include Academic Excellence through Student Mentorship, Choosing a College, College Applications and College Interviews, College Bound Curriculum, Navigating the National College Fair Strategically, Financial Aid, the NCAA and NAIA, Public versus Private colleges, and more. Check online for the specific workshops at your fair.)
