

About IACAC

The Illinois Association for College Admission Counseling is an organization of counseling professionals dedicated to serving students as they explore options and make choices about pursuing post-secondary education. IACAC members include counselors, admission and financial aid officers, active retirees, and graduate students who are concerned about the future of education in the State of Illinois and in the nation. IACAC is committed to maintaining high standards that foster ethical and social responsibility among those involved in the process as students transition to college.

IACAC is a dynamic organization offering many opportunities for professional development, as well as opportunities for networking, discussion, and leadership within the organization. Through its listserv, IACAC distributes information and facilitates discussions on hot topics in school counseling and college admission. Additionally, IACAC provides opportunities for both mentors and mentees of those new to the profession and those in middle management.
