Call to Order: Meeting called to order by B. Gilfillan at 8:35 am.
Introductions of head table.

Motion to adopt agenda and special rules for meeting (E. Hoover, S. Szczepanski). Motion carried.

Approval of 2015 Annual Membership Meeting Minutes: (M. O’Rourke, C. Grotzke). Motion carried.

Membership Report: (K. Wiley)
Overall we are down in membership. Secondary members have increased partially due to 39 free memberships but even without these, we’d still be up. Decrease in college/university members. Both public and private schools have indicated budget concerns which has led to this decrease.

New initiatives this year: new video to encourage membership, worked to change the opt-in policy for the listserv to ensure that new members are receiving important information, continuing work on possible fee restructuring

Treasurer’s Report (C. Wallace)
The Report shows a cash balance of $489,421.58. This is the sum total of our two cash accounts: a regular cash account ($455,347.82) and a money market account ($34,073.76). Our Spartan Market Index Account (#205) is currently at $165,443.13 – a small increase over last year at this time and after being down all year. When you add that to our cash account and certificates of deposit, a total of the three CD’s, the total financial resources available to IACAC are currently $743,771.55. Please note: large Annual Conference and Illinois College Fair Committee bills have not yet been paid. Total donated services for this current fiscal year reported as of 4/11/2016 are $25,825.89. Turn in remaining year’s donated services by May 31st.

C. Wallace moved to adopt the 2016-2017 proposed budget, C. Smith seconds.
Both revenues and expenses are budgeted (and balanced) at $173,465 for the upcoming year. This budget was presented to and approved by the Executive Board at the March meeting.

Mike presented the following motions for adoption:

Mike moved to amend IACAC’s Mission Statement. This statement is not a part of the IACAC by-laws, however is something the Credentials Committee feels strongly the membership should vote on. The old language can be seen on the screen.

S. Daugherty seconded.

The new language is:
The purpose or mission of the association is to support and advance the work of counseling professionals as they educate students, with particular emphasis on the transition from secondary schools to colleges, universities, and other post-secondary options. In all activities, attention to access and equity for all students is paramount.

Rationale: As we put together the new strategic plan we took a closer look at our mission statement. The previous statement emphasizes that we serve both counselors and students equally, however, our organization is one for professionals within the counseling profession. We first serve this population and as a by-product, directly and indirectly impact students. We felt it necessary to clarify this as our mission and purpose by refreshing the statement.

Motion carried.

Mike moved to amend Article I. Membership, Section 1. Voting Membership.

The new language is:

A2. Persons whose primary recruitment territory is in Illinois and provide counseling, admission or financial aid services to students and/or their parents and who are employed by an out-of-state institution or organization as approved by the Illinois Association for College Admission Counseling.

C. Smith seconded.

Rationale: Work is done in Illinois even though the person might not spend the majority of time in Illinois. Because their work consists of recruiting Illinois students, we want to clarify that statement.
