- For new undergraduate students entering ECU in the fall of 2017, our new Selective Merit Aid/Reduced Tuition (SMART) program saves you nearly \$8,000 off our annual out-of-state tuition costs. Students from SMART designated states who have a high school GPA of 2.5 and an ACT composite of 18 or SAT total of 940 or higher will receive a reduced tuition rate of \$10,000 per year. Now you don't have to limit your choice of schools to only those close to home. ECU also has very reasonable housing rates and meal plans that will significantly lower your total college costs.
- In addition to this exceptional tuition price, superior academic achievement is recognized through two additional scholarship opportunities. Students with a composite ACT score of 28 or higher (SAT 1310 total or higher) may earn an additional merit scholarship award (GPA must be above 3.0 to be considered). Priority is given to students who have applied to ECU by February 1. After February 1, the Scholarship Office will make awards until funds are exhausted. Apply early!
 ECU Top Scholar Award
 Award: Four-year award of \$18,000. Scholarship of \$2,250 per semester (\$4,500 annually) for up to 8 semesters. To retain scholarship, the student must maintain a 3.0 grade point average and be enrolled full time.
 ECU Premier Merit Award
 Award: Four-year award of \$6,000. Scholarship of \$750 per semester (\$1,500 annually) for up to 8 semesters. To retain scholarship, the student must maintain a 3.0 grade point average and be enrolled full time.
- Premier Programs: Criminal Justice, Education, Professional Golf Management, Nursing, Aviation, and Interpreter Training. With over 182 degree options, we have a major for you at ECU!

- The 2016 *U.S. News & World Report* rankings recognize Miami as the **second highest public university in the United States** in the category of "**Strong Commitment to Undergraduate Teaching.**" Only 19 national universities are noted for such commitment. Miami has appeared on this short, elite list since the inaugural year of the rankings in 2009, and has been in the top three among public universities for six years in a row.
- The *Fiske Guide to Colleges 2017* continues to recognize Miami University for "gaining national recognition as **an excellent state university that has the true look and feel of a private.**" Highlights of Miami's 2017 entry include its high-caliber student body, beautiful campus, and **professors' knowledge and dedication to helping students develop educationally and personally.**
- New in 2016, **Miami's Tuition Promise** provides all First-Time undergraduate students and their families the certainty that tuition, room and board, special purpose fees, and course fees will be **frozen over the four years** of a student's Miami experience. Stability in costs also ensures that a student's renewable scholarships and financial aid dollars will retain their value over the entire four-year period.
- **95%** of 2014-2015 Miami graduates were employed or continuing their education by Fall 2015. Miami's national reputation attracts **four times as many employers** to conduct on-campus interviews as compared to our peer institutions.
- In 2015, Forbes Magazine rated **Oxford, Ohio, the #1 College Town in America.**

- Millikin University is a private, four-year university that enrolls approximately 2,200 students in traditional and non-traditional undergraduate and graduate degree programs (MBA, MSN, DNP). Located in Decatur, Illinois, we are within three hours of Chicago, St. Louis, and Indianapolis.
- Merit Scholarships of up to \$20,000 are awarded to every student who applies and is accepted to Millikin. More than \$35.6 million in financial aid is awarded yearly and includes academic and talent scholarships ranging from \$500 to full-tuition.
- Known as a national leader in Performance Learning, Millikin offers over 60+ academic programs that engage students in a variety of immersive, hands-on learning experiences that help in developing professional and interpersonal skills employers seek.
- Over 50% of freshmen participate in one of Millikin's 21 NCAA Division III athletic teams. In 2015-16, 39 student-athletes earned CCIW All-Conference honors, and 11 MU athletes were named All-Region (three of those earned All-American honors).
- U.S. News & World Report and Forbes have consistently ranked Millikin as a top university in the Midwest. In 2016, Great College Deals ranked us among the 20 best deals on small colleges for STEM (science, technology, engineering, and math) degrees.

Additional Information: As part of its Build a Better MU campaign, Millikin is undergoing several exciting construction projects we hope will benefit future students and improve the overall quality of Campus Life. New facilities include the University Commons, which will house the renovated Staley Library, center for leadership, technology labs, student organization offices, spacious study areas, and a food court. In 2017, we're building a new \$2 million softball field, and will also begin construction on a new Center for Theatre & Dance. Programs in the College of Fine Arts are nationally-recognized and include alumni who are stars of TV, film, and theatre; Grammy-nominated musicians; and artists who've had their work exhibited in international galleries. Students interested in our growing STEM programs will be impressed to know that the Leighty-Tabor Science Center at Millikin houses the largest public telescope in the state. The university also offers several 3+2 dual-degree STEM programs through partnerships with Washington University in St. Louis and the University of Missouri in Kansas City.
