Need to work with Erin Hoover to update the new Fiscal Policy but will have that to you by LDI

· Budgets

O As I did last year, with each committee chair I would love to go over your individual committee budget, work with you to make it as detailed as possible so that you can plan appropriately how your funds are used and viewed. I have a meeting link for whenever you would like to speak to me to ask questions, bring up concerns, etc. <https://calendly.com/eric-usf/treasurer>. The hope is that every transaction and every reimbursement will be entered on to the budget sheet and will be re-shared with the committee chairs every time there's a change/adjustment. Just like our own checking accounts, we should be checking constantly, you will be able to do the same here without needing to ask to see the budget and waiting for me to get it to you. As long as you are within the fiscal policy, you will be able to plan better when there are changes throughout the year and still knowing where you need to finish the fiscal year. The hope is that the committee will be able to work with the budget throughout the entire year that when it comes to planning next year's budget you can actually see what has happened the past year and can request an appropriate budget for the following year. You should be able to plan for times where you may need to request more funds from the board, it should be easier to see. We should be practicing the consideration of re-allocating funds to a different line item to cover something we want/need to do and see how that affects the rest of the budget. We do this already in our everyday lives so it shouldn't be anything different. For example, when we want to buy a car, we take a look at our budget, maybe we say, ok for these next couple of months, we won't go out to eat as much to put that money towards a car.

Any "Unfinished Business" and/or Committee Work in Progress from 2020/21: N/A

Looking ahead, any New Ideas or Action Items for this Committee in 2021/22?

Looking into new ways to connect with students during the virtual college fair this Fall to better assist them in college readiness.

How's your Committee Roster situation? Are you seeking more volunteers? Less?

We will be seeking volunteers for the Spring Fair as we have not been in contact with our committee during the pandemic since we were switched to a virtual format and didn't have anything for our volunteers to help with.

How's the Committee's Web Presence? IACAC Webpage updates? Information updates? Anything for Erin?

Nothing will need to be posted now, but we will ask for volunteers to assist with the counselor chat room feature during the virtual Fall NACAC Fair. I will reach out to Erin in the early Fall to begin posting on IACAC webpages seeking volunteers.

Does your Committee have any Media Communication requests/needs? Marketing opportunities?

Nothing will need to be posted now, but we will ask for volunteers to assist with the counselor chat room feature during the virtual Fall NACAC Fair. I will reach out to Erin in the early Fall to begin posting on IACAC webpages seeking volunteers.

What's are your Committee goals for this year?

Come up with some creative ideas to interact with students during the Fall Virtual NACAC Fair and get ready for the first Spring in-person NACAC Fair.

How can IACAC better support the good work of your Committee?

Nothing else besides marketing the Fall and Spring NACAC College Fairs.

Does your Committee have any agenda items or conversation topics you'd like to bring to the Exec Board and/or our group Meeting space?

Not during Executive Board, but during our group meeting will be great to start discussing ideas for the Fall Virtual NACAC Fair.

The full virtual program will still remain primarily virtual but may have some in-person components.

We're seeking a few more, but due to the nature of the program, we should be selective about who we invite to join.

Committee Chairs (NEW) Rolling on for 2021/22: Josh Stober

Any "Unfinished Business" and/or Committee Work in Progress from 2020/21: None

Looking ahead, any New Ideas or Action Items for this Committee in 2021/22?

Much of our communication will need to be updated to include information about the new membership model. In addition, we will need to prepare communication about the change in membership year for the 2022-23 year. We are thinking of creating a monthly portal tips and tricks article for the Admission Essay to get membership more traffic in the portal.

How's your Committee Roster situation? Are you seeking more volunteers? Less?

We typically only need a big volume of volunteers for our calling campaign and like for this event to be an "all hands-on deck" situation. Otherwise, we are good with current volunteer numbers.

How's the Committee's Web Presence? IACAC Webpage updates? Information updates? Anything for Erin?

We will need to update the website with the new membership tier information. The IACAC Membership brochure will also need to be updated with this information. We also want to work with Erin to help us to create the Portal Tips & Tricks article for the Admission Essay.

Does your Committee have any Media Communication requests/needs? Marketing opportunities?

We will need to work with Erin, as usual, to push out our communication - especially with membership model change. We also hope to be able to work with grad school programs to do a short presentation about IACAC and the benefits. We did this previously, but it took a bit of a halt because of COVID. We will also continue to highlight members in the Member Spotlight, our monthly contribution to the Admission Essay.

What's are your Committee goals for this year?

Increase membership, create more involvement in the membership portal, prepare reports with more robust demographic data of our membership to help inform other committees for programming

Any "Unfinished Business" and/or Committee Work in Progress from 2020/21?

We had planned to follow up with past winners of the counselor challenge to make sure they are joining IACAC as members after their free year or experience at conference.

Looking ahead, any New Ideas or Action Items for this Committee in 2021/22?

We want to ensure that if the Counselor Challenge moves to Membership that it's done so in a way that allows for continued follow up and tracking of new members this can provide.

How's your Committee Roster situation? Are you seeking more volunteers? Less?

We have 24 volunteers. Not all attend meetings so we are hoping to make the list of those that are on this committee are those that can help us reach out goals. We are seeking to add members who might be involved in other organizations to help better our collaboration.

How's the Committee's Web Presence? IACAC Webpage updates? Information updates? Anything for Erin?: We don't need anything at this time.

Does your Committee have any Media Communication requests/needs? Marketing opportunities?

We will continue to need communication surrounding the speaker's bureau

What's are your Committee goals for this year?

1) We want to collaborate with other organizations to establish working relationships, creating more connections with high school counselors and college admissions representatives throughout the state with the hope of improving collaboration and leadership within IACAC from the entire state. 2) Reach out to graduate school counseling and admissions programs in Illinois to introduce and explain the benefits of being an IACAC member, and to discuss the importance of postsecondary counseling in graduate program curriculum. 3) continue to promote and increase the use of the speaker's bureau

We have plans to grow our presence among grad students, including involving an intern in next year's committee, and we appreciate chances to collaborate like with IACACreads, the Transfer Committee, and College Fairs. Keep us in mind for collaborative events or how we might talk up events, news, good works going on among IACAC committees and members.

Any "Unfinished Business" and/or Committee Work in Progress from 2020/21:

Defining our committees' purpose and role

Looking ahead, any New Ideas or Action Items for this Committee in 2021/22?

Our number one priority is to figure out the role of our committee.

How's your Committee Roster situation? Are you seeking more volunteers? Less?

Based on the committee having terms (I believe the only committee with this structure), we may need to look for more folks to join. We have Andy Borst, Sandie Gilbert and Jenn Parr-Gross all rolling off the committee. This leaves us six members. So, we may want to add at least one high school person and one college person as well as one independent counselor. My personal recommendations (Shawn) would be to add Emma Adebayo (college) and Jill Diaz (IEC). Then would be open to another high school person.

How's the Committee's Web Presence? IACAC Webpage updates? Information updates? Anything for Erin: Our page is up to date.

Does your Committee have any Media Communication requests/needs? Marketing opportunities: No

What's are your Committee goals for this year?

Committee Chairs (NEW) Rolling on for 2021/22: Drew Small

Any "Unfinished Business" and/or Committee Work in Progress from 2020/21?

MMI will be held on June 17-18, so we're in the final planning stage, and then will have some small wrap-up for the committee and attendees.

Looking ahead, any New Ideas or Action Items for this Committee in 2021/22?

We look forward to hosting MMI in person again in Summer 2022

How's your Committee Roster situation? Are you seeking more volunteers? Less?

Our committee is a little on the smaller side due to not having MMI last year. We look forward to inviting some of this year's attendees to serve on the committee for 21/22.

How's the Committee's Web Presence? IACAC Webpage updates? Information updates? Anything for Erin?

I think adding the conference session video to the webpage definitely helps promote the event. Maybe we can pull a photo or 2 from this year's virtual event (of course, that's hard with Zoom). We'll definitely want updated photos for the web from the 2022 MMI though.

Does your Committee have any Media Communication requests/needs? Marketing opportunities?

Not at this time, but more to come as we promote MMI 2022.

What's are your Committee goals for this year?

Our big goal was to hold MMI in some setting since MMI 2020 was cancelled. In a few short weeks, we'll have successfully hosted a virtual MMI.

How can IACAC better support the good work of your Committee?

As with every committee/event, IACAC can continue being an advocate for membership attendance at MMI. Attendance has been great in the past and continues to be strong for this year. A lot of that is from word of mouth within IACAC.

Does your Committee have any agenda items or conversation topics you'd like to bring to the Exec Board and/or our group Meeting space?

No, not at this time.

Summer Tours

Committee Chairs Rolling Off for 2021/22: Becki Bellito

Committee Chairs Continuing for 2021/22: Sarah McDougal, Paul Lichtenheld

Committee Chairs (NEW) Rolling on for 2021/22: Kara Dollaske

Any "Unfinished Business" and/or Committee Work in Progress from 2020/21?

We plan to use our travel plans for 2020 and 2021 in 2022 and 2023.

Looking ahead, any New Ideas or Action Items for this Committee in 2021/22?

We're looking forward to returning to our usual program schedule.

How's your Committee Roster situation? Are you seeking more volunteers? Less?

Due to specific roles assigned to each member of the committee, our committee has a finite number of members. We currently have all roles filled, and we will recruit replacements as needed from those that have participated in the program in the past.

How's the Committee's Web Presence? IACAC Webpage updates? Information updates? Anything for Erin?

Erin does a FANTASTIC job processing our updates as needed. We will keep her updated as we develop future plans and need to launch registrations.

Does your Committee have any Media Communication requests/needs? Marketing opportunities?

We will be completing a 1-day bike tour of 3 college campus on 2 separate routes on June 28th and July 8th. Media is welcome to cover these events as the first IACAC in-person events following the Pandemic.

What's are your Committee goals for this year?

We simply want to get back to traveling and visiting our college partners. Summer 2022 is expected to include the intended 2020 Plane O' Fun trip to the Pacific Northwest and the Micro Tour to Southwestern Michigan.

How can IACAC better support the good work of your Committee?

In 2019, we were approved for a one-time \$8000 grant (\$200 per full-paid participant) to assist with the costs of plane tickets to travel to the Pacific Northwest in 2020 to complete a tour approximately 25 years in the making. Obviously, that trip did not occur due to the Pandemic, and that money was returned to the IACAC reserves. We hope to try again in 2022, so we are asking for this one-time grant to be approved again.

Does your Committee have any agenda items or conversation topics you'd like to bring to the Exec Board and/or our group Meeting space?

See the previous item regarding our request for a one-time grant of \$8000 to help offset the cost of plane tickets to tour school in Oregon, Washington, and Canada.

Opportunity for Open-Ended Response here...anything else we missed that you and your Committee would like to share?

Scott is unavailable to attend this meeting, but Kara is prepared to speak on behalf of the committee.

Continue discussions on virtual options or timing of DS so we can have better attendance like this year.

Everything is great except we need to take Brad's info off the website and add Rebecca.

Not currently.

What's are your Committee goals for this year?

1. Determine possible restructure of how we hold DS? 2. Increase participation/attendance for District Seminars. 3. Determine ways to increase DS attendance from non-IACAC members.

How can IACAC better support the good work of your Committee?

We were very pleased with the support given to us this year as we had to make changes so last minute with District Seminars. As we look at the upcoming year and try to possibly change up how we hold our events (in person and virtual? DS week? One DS a month?) we will be needing your support during these transitions as well.

Looking ahead, any New Ideas or Action Items for this Committee in 2021/22?

After the past year, we are wondering if we need to consolidate duties of advertising and sponsorship. If not, creating a distinction between the two with valuable reasons to do one or the other/both.

How's your Committee Roster situation? Are you seeking more volunteers? Less?

This year we did not need any but moving forward we will more than likely be looking for volunteers to assist.

What's are your Committee goals for this year?

None of us have been a part of the EAS committee for an in-person conference. We are excited to be able to do that this upcoming year. Our goal is to meet the needs of the conference, as it relates to EAS partnerships, and continue to build strong relationships with exhibitors, sponsors, and advertisers. Meet, or exceed, all expectations set forth by the executive committee to help find conference.

How can IACAC better support the good work of your Committee?

To continue to be advocates for EAS and promote institutions/exhibitors to sponsor/advertise/exhibit at conference for this year. We have a great base of continuous partners, but always looking to expand the "rolodex" for EAS communication.
