

Pull Up A Chair

There's Room for All!

IACAC Annual Conference 2024

Welcome to Conference 2024!

Why Room for All? In the ever changing landscape of higher education, there is space at the table for everyone, and we are better when we make the table bigger. There are no sides to the work we do. Instead, there are remarkable opportunities for creativity and collaboration. Over the next few days, welcome people into your space.

Our Conference Committees have created a dynamic selection of sessions and social opportunities. Stop and talk to our amazing sponsors and exhibitors who are important partners in the work we do. Pull up a chair, make a new friend and reconnect with friends you've known for years.

There is room for you in this field. There is room to honor traditions and make space for new ideas. Pull up a chair. There is room for all.
