

Illinois Community College Council On Adult Student Recruitment & Retention

Thursday, March 31st, 10am to 2 pm
Moraine Valley Community College

RSVP to Peggy Heenan at heenanm6@morainevalley.edu

Meryl Sussman, Assistant Vice President Outreach Adult & Non-Credit Programming at Northern Illinois University (NIU) and John Cowan, Senior Research Associate at NIU will share information on the newly formed **Illinois Prior Learning Assessment Alliance**. Learn how this alliance will positively impact the adult learners we serve.

Also join us for the new “Ideas at Work” session where we’ll share information on the latest nationwide trends in adult recruitment and retention—at this meeting we’ll talk about the Adult Concierge model being used at the University of Nevada Las Vegas.

Lunch will be served, too. Come join us for this information-packed meeting!

ICCCASRR Mission: The Illinois Community College Council on Adult Student Recruitment & Retention works to share best practices to increase adult enrollment and improve retention at member institutions, enhance student services, provide networking opportunities, and build stronger relationships with our community college counterparts. The Council provides a partnership with Illinois Community Colleges to share information to accomplish our respective institutional goals.
