HIGH SCHOOL COURSE PATTERN REQUIREMENTS

English, four units
Mathematics, three units (four units strongly recommended)
Lab Science, three units
Social Science, three units
Electives, two units
Unit = one year or two semesters

New freshmen and transferring freshmen (those with fewer than 26 semester hours or 39 quarter hours) must satisfy these course pattern requirements in high school or via community college.

ITEMS REQUIRED FOR APPLICATION

- Application for admission as an undergraduate.
- \$40 application fee (nonrefundable).
- Official high school transcript(s).
- Official post-secondary transcript(s).
- Any additional items requested by SIU.

TRANSFER ADMISSION

When a student has earned 26 or more transferable semester hours or 39 quarter hours after high school graduation, high school credentials are no longer needed for the application process. The admission decision is based on the transfer GPA, which must be a 2.0 or above on a 4.0 scale for general university admission. In addition to the application and fee, students must submit current official transcripts from each college attended.

ADMISSION REVIEW PROCESS

SIU is test optional. New, first-time students are no longer required to submit an ACT or SAT test score for admission or scholarships. Students will be admitted if they meet the high school course pattern requirements and one of the following criteria:

- A cumulative high school GPA of 2.75/4.0 or
- A ranking in the top 10% of their graduating class or
- A test score equivalent to a 23 ACT or 1130 SAT.

We review all other applications holistically. We strongly consider GPA, as well as high school course pattern, class rank and ACT/SAT composite and subscores (if test scores are submitted). We will also consider application date, grade trends, absences, personal statement and activities in the admission decision.

ACADEMIC SCHOLARSHIPS AVAILABLE FOR FRESHMEN

At Southern Illinois University Carbondale, we recognize the importance of a quality education and are dedicated to helping students find a way to achieve their higher education goals. Our Academic Scholarship Office awards scholarships to outstanding students who demonstrate the potential for superior academic performance.
